## Windsor Motors hits the BIG 4-0

Filed in Motor on July 31, 2008

In a time of doom and gloom one car dealer is in celebratory mood. This year Windsor Motors is celebrating it's 40th birthday. In order to celebrate our birthday we are the one giving away the present and what a present!

Windsor Motors have provided the Dublin based charity Zambia Lifestart with a brand new Nissan Note for the major prize in the charity's fundraising raffle.

Gabriel Keane, CEO, Windsor Motors says: "Windsor Motors are delighted to be able to celebrate our 40th year in business by giving back to the community and our customers. Zambia Lifestart is raising funds to build an early childhood centre in Mazabuka, Zambia. We are proud to be associated with them and wish them well in their work in the future. Windsor Motors started business as one dealer in 1968 and we now have 11 dealers' nationwide selling [Nissan](#), [Opel](#), [SsangYong](#) and [Chevrolet cars](#)

Donall O' Murchu, Zambia Lifestart said; "We are absolutely delighted to be given a Nissan Note by Windsor Motors. This has greatly contributed to our raffle and fundraising efforts and will have a significant impact on the lives of the children in Zambia. We are very grateful for Windsor Motors generosity and support."

The company was first incorporated in 1968 at a time when owning a car was a luxury. Windsor Motors focussed on providing quality customer care and service to all customers.

Today 40 years on, Windsor Motors still offer the same high quality customer service. However added to that experienced staff, excellent aftersales service and a wide range of cars to choose from, it's no wonder that Windsor Motors are Ireland's Favourite Dealer.

For further information on Zambia Lifestart visit [www.zal.ie](http://www.zal.ie)

Why not pop down to your local Windsor Dealer today to wish them a Happy Birthday and while you're there discover that 100% of used car prices are down?

Or visit [www.windsor.ie](http://www.windsor.ie), open for business 7 days a week, 24 hours a day.
