

Press Release

Gerard Lee Motors formally Jetstar Motors are delighted to announce our new web site www.gerardleemotors.ie . The web-site is an opportunity for all our customers both new and old to keep in touch. We will also be using the web-site to run great offers for our customers. The web-site is user friendly with many interesting pieces of information in our news section. The web-site reflects the repair centres goal of taking care of our customers motoring needs. We currently have information regarding the penalty points systems. We also have tips about the NCT test. We will continue to grow this useful information in the coming months.

Gerard Lee Motors is a Society of Irish Motor Industry registered member and a BOSCH registered service centre based in Dun Laoghaire Co Dublin.

Like any organisation, we have witnessed many changes in the motor industry. During these changes Gerard Lee Motors has continue offer great value and reliable motor services. We have grown from Jetstar Motors to become www.gerardleemotor.ie
